Good Morning	I'm _____, I'm _____, and I'm _____, and these are the morning announcements:

### [Highlander Games Results](#) NEW

Thanks to all the students, staff and volunteers who helped make the 8th Highlander Games such a success yesterday. The standings on the leader board changed with every station so all the teams were in the running to win. Even the team that came last was in second place early in the event. And Mr. Balsler was wrong when he announced that this was Red's 3rd win in a row. In fact, Blue team won last year. The Highlander Games are all about positive attitude and enthusiasm and every Hillcrest Team has that in abundance. So keep it up, Highlanders, you are all awesome!

### [3D Club Meeting](#) It's not too late to join!!

There is a 3D club meeting in room 150 at Nutbreak on Friday. See you there!

Have a good day! 😊
