MPOWER YOUR INNER WARRIOR MOOWS

This mpowerment program aims to benefit your child emotionally, mentally, and physically through jujitsu martial arts. The values of martial arts such as respect and self-defense will be discussed in a welcoming environment, but confidence, self-awareness and proper goal setting approaches will also be incorporated in the discussion as these are important lessons that help students mature. The student will learn practical self-defense skills through technical drills, workouts, and games. These skills will focus on both grappling and striking techniques.
