Dear: Catherine Clelland et al

I am pleased to advise you that your application for a community gaming grant has been approved. The amount of your grant is \$2,790 and it is being provided to support the extra-curricular activities of students at your school.

Community gaming grants are allocated based on the funding available each fiscal year. This year, the grants being provided to Parent Advisory Councils (PACs) are \$10 per student. District Parent Advisory Councils (DPACs) will receive \$1,250 to support parental involvement in schools.

This funding is part of the \$56.2 million from community gaming grants being directed to children in schools. It includes \$48.6 million for meal programs, child and youth workers, and other initiatives under the CommunityLINK program, which benefits vulnerable students in the public school system. \$7.6 million will go to approximately 1,700 PACs and DPACs to support extra-curricular activities for students.

Other priorities for 2009/10 grants will be:

- * Programs that support low income and disabled British Columbians;
- * Programs that provide food, shelter and support to at risk individuals;
- * Programs that support community health services;
- * Programs that fund nutritional and similar programs in schools for underprivileged children;
- * Public safety programs;
- * A limited number of arts and culture activities;
- * Community education programs, such as daycares and preschools;
- * Public community facilities like community halls and recreation facilities;
- * Youth and disabled sports;
- * Non-sport youth groups, such as scouts and cadets; and
- * Written three-year commitments made to community organizations.

As with all community gaming grants, a condition of this grant is that your organization submit a Gaming Account Summary Report within 90 days of your fiscal year end, showing how these funds were spent. That form, along with the complete list of conditions for this grant, is available on our website at www.hsd.gov.bc.ca/gaming.

We wish you every success with your program this year.

Sincerely,

Derek Sturko
