

# Kilmer PAC Survey of Revenue Generating Events (May 2011)

Please rate the following events that you would like the PAC to organize and that you would participate in. Most of these events have been done by the KPAC in the last 5 yrs. The profit on each ranges from \$200 - \$1500 depending on the event.

Your participation in this is greatly needed as the KPAC has just voted on purchasing a new mobile computer lab for the students. As well, we have to meet the budget that will be set for 2011- 2012. Please return this survey to the KPAC mailbox at the office at your earliest convenience.

Rate on a scale of 1-5 (1 being the best liked - 5 being the least liked)
