

KPAC - Donation Request

Dear Kilmer Families:

Welcome back to all new & returning families. Each year our PAC (Parent Advisory Council) fundraises for our children's extracurricular items such as fieldtrips, music supplies, sports equipment, & cultural performances, just to name a few. The PAC budget allotment for these activities, and much more, is approximately \$10,000. This year, along with all the above items, we have added an extraordinary goal of a new mobile computer lab bringing this year's budget to \$24,000.

A suggested donation of \$30 per child or \$50 per family potentially reaches the basic budget for the year. Last year donations generated over \$1700 towards the budget. The quicker these donations come in the faster we will reach our goal to purchase a new mobile computer lab.

TAX RECEIPTS will be issued from School District 43, to those who donate to the Kilmer PAC by October 14th.

Cheques must be payable to: Kilmer Elementary School

The fundraising committee has also attached the prescheduled events for this year. We hope you enjoy all the opportunities for you and your children to participate in these events.

The Fundraising Team **Thanks You** for your support.
