

BCCPAC Fall Leadership Conference

November 15, 2013

SAVE THE DATE -

BCCPAC is excited to announce the return of the Fall Leadership conference in 2013!

Back to Basics and Beyond for your PAC and DPAC. The fall leadership conference is a great training opportunity for new leaders in your PAC or DPAC. We will also be celebrating 25 years of Legislated Parent involvement in BC and are excited to have parents and partner groups from all over the province attend to support and promote parent involvement in education!

What's happening at the conference?

In celebration we are bringing in world renowned speaker Barbara Coloroso to deliver our keynote address. The Ministry of Education is providing amazing speakers on Bullying, 21st Century Learning, and a chance to give input on the Educational changes happening in our province. We will also have special learning opportunities with our 101 series in PAC 101, Volunteering 101, Event Planning 101, Treasury 101. *Please note these may be recorded for future use.*
