Dear Kilmer Parents,

We would like to invite you to our *Halloween parade on October 31st at 1pm*

Please go to the gym and wait for us there as we will be winding our way through the school, ending in the gym for you all to see.

We ask that students **not wear their costumes to school** to avoid them getting damaged or dirty during morning instructional time or at recess and lunch.

It is encouraged that parents take their children home for lunch to help them change into their costumes for the afternoon. **If you will be taking your child home to change, please go to their exterior classroom entrance to sign them out with their classroom teacher at 11:45am.**

Children who will not be going home to change will have the opportunity to change during lunch time.

Please remember the following for your child's costume:

- No weapons, plastic or otherwise
- No face coverings/masks/bandannas (masks can be worn on top of the head)
- Face makeup is allowed if the student is recognizable
- No sexualized costumes

Thank you! See you there!

~Laurie Birnie, Principal École Kilmer Elementary School

POPCORN DAY

November 8

\$1

Our first popcorn day of the year will be **Nov 8!** This year, we'll be doing things a little differently. We will serve "**Boom Chicka Pop**" popcorn. We are hopeful that even more kids will be able to take part as it is vegan, gluten-free, kosher, and the only ingredients are popcorn, sunflower oil and sea salt. We are also asking the kids each **bring their own reusable 2-cup container.** Please line up outside near the gym at recess with your \$1 and your container and we will fill them up.

The journey of parenting can have many highs and lows. This is especially true when faced with the challenging task of parenting a teenager. Each week there will be a different topic to discuss. Come for all 9 weeks or come when you can. Topics include: Adolescent development, continuum of substance use, stages of changes, attachment and connection, effective communication, boundaries and limit setting, managing conflict, self-care and more.

Participants will:

- Increase their knowledge about substance use
- Find support from other parents/ caregivers
- Build skills in effective communication
- Learn to manage tough emotions
- Foster healthier life balance
