## SOCIAL DISTANCING ON KILMER SCHOOL GROUNDS

We are all responsible for our Health and Safety

HEALTH. SAFETY. WELLNESS.

**update May 28/21-** Please know that current safety protocols will remain in place at all schools for the remainder of the school year. This includes all measures that have been enacted around masks, physical distancing, hand hygiene, daily health checks, learning groups and year-end celebrations.

As the cases in our neighbourhood grow, it is more important now, than ever that parents and students practice physical distancing, and mask wearing on the playground. Please go home immediately following the dismissal bell. Kilmer staff would like to remind parents to social distance while on the Kilmer School grounds. Please wear your mask and allow students adequate space to safely exit from the building. Please do not crowd around classroom doors and windows. If you wish to speak to your child’s teacher, please contact them by email and set up a time to meet virtually, or over the phone.

Each day, children play in a designated area within their learning group during their recess and lunch breaks. All staff, and students in grade 4-5 are required to wear masks indoors at school. Please help us keep our school safe by reminding your children, the importance of social distancing, the difference of home and school bubbles and why we must follow the Provincial Guidelines to stop the spread of Covid19 in our Health Region. Please visit
