

THIS WEEK AT KILMER

December 11, 2020

PRINCIPAL'S MESSAGE

Thank you to the PAC for their financial contribution to the Frisbee Golf Targets, for ordering Frisbees for each Kilmer Student and to the Parents who volunteered to assemble them this week!

The Power of Hello

January 27, 2016 – DASH BC website

While the title may conjure up thoughts of Adele's powerful new song, give it a bit more thought and it will likely make you think about a time when someone's friendly "hello" put a smile on your face, reassured you during a challenging time or perhaps made you feel welcomed in a new environment – like when you started at a new school (whether as a student, a teacher or an administrator!)

Studies tell us that students who are well connected to teachers and peers within their learning environment are more likely to prosper. Most of us even know this intuitively. It makes sense that young people who feel cared for and liked by others tend to experience better mental health, have reduced involvement in health risk behaviours (including but not limited to substance use), and are more motivated to learn and achieve higher academic performance.

The good news for school professionals and other adults is that supporting the academic and social development of young people need not be complicated. In fact, most schools' informal curricula emphasize school as community and present abundant opportunities for fostering the connections most kids need to survive and thrive in today's world.

IMPORTANT DATES

Friday, December 18th - Pyjama Day

- Last Day Before Winter Break

Monday, January 4th - School Re Opens from Winter Break

- KPAC Meeting

January 7th-13th – Program Of Choice Registration Opens

(for 2020-2021 Kindergarten & Grade 6)

February 2-5th - 2021 Kindergarten Registration

February 5-10th – Cross Catchment Applications Due (online)

KILMER LIBRARY

Our Library is OPEN and students are now able to check out books ONLINE with the help from a parent at home.

[Click Here to Learn how now!](#)

To request a book, you will need to use your child's student account. If you do not have the account information, please contact your child's classroom teacher for the credentials. This is the same login information used for TEAMS.

KILMER YEARBOOK

Please fill out the permission form in [School Cash Online/KEV](#) if you wish for your child's name a photo to appear in the 2020-2021 Yearbook.

RAINY OR SNOWY DAYS AT KILMER

Thanks to everyone for sending extra clothes for the children to change into after recess and lunch. Dry socks made the afternoon much more comfortable for many kids. In the new year, we will be monitoring our outside time and the weather, keeping as much outside time as we can given the daily forecast.

FRECH IMMERSION PARENTS

Don't forget to register incoming French Immersion Kindergarten siblings during the Program of Choice Online Application process **January 7th-13th**.

More information will be posted online at www.sd43.bc.ca

THIS WEEK AT KILMER

ILLNESS POLICY

At this time, we are asking all students, staff and visitors must perform a [Daily Health Check](#) before coming to school and stay home when sick. The Daily Health Check is a critical factor in our efforts to keep our community well over the coming months. Wellness is not just about COVID –19, it is also about of the seasonal coughs, colds and flu bugs that we encounter every fall and winter. Any steps that we can take together to lessen seasonal illnesses including stay home when ill, helps us take care of each other.

Your child must stay home for
at least

24 hours

if they have any of the
following symptoms:

- Fever
- shortness of breath
- vomiting
- diarrhea
- nausea
- cough
- worsening of chronic cough
- loss of taste
- loss of smell
- chills

If symptoms do not improve or worsen after 24hrs you must seek a Health Assessment before returning to school.

A health assessment can include calling 8-1-1, a primary care provider like a physician or nurse practitioner, or going to a COVID-19 testing centre.

If a COVID-19 test is not recommended by the health assessment, your child can return to school when symptoms improve and they feel well enough. Testing may not be recommended if the assessment determines that the symptoms are due to another cause (i.e. Not COVID-19).

If a COVID-19 test is recommended but is not done because the person or parent chooses not to have the test or a health assessment is not sought when recommended, and the person's symptoms are not related to a previously diagnosed health condition, they should stay home from school until 10 days after the onset of symptoms, and then may return if feeling well enough.

If the COVID-19 test is positive, the person should stay home until they are told by public health to end their self-isolation. In most cases this is 10 days after the onset of symptoms. Public health will contact everyone with a positive test.

If the COVID-19 test is negative, the person can return to school once symptoms have improved and they feel well enough. Symptoms of common respiratory illnesses can persist for a week or more. Re-testing is not needed unless the person develops a new illness. BCCDC has information on receiving negative test results.

If a child starts showing symptoms of which **could be Influenza or COVID-19** while at school, they will be instructed to put on a mask and moved to the Isolation Room. Parents will be contacted and must plan arrangements to have their student picked up right away. **Parents must seek a Health Assessment for their child, and students should not return for at least 24 hours.**

MESSAGE FROM KPAC

Kilmer Wear Update- On December 9th Textile Innovations reported that all the screening was complete, and they were working on the embroidered names. *They hope to have the Kilmer Wear and Grad Hoodies completed next week.*

KPAC IS FUNDRAISING!
