

# École Kilmer Elementary School

1575 Knappen Street, Port Coquitlam, B.C. V3C 2P8

## Student School Supplies 2020-2021

School District #43, Coquitlam recognizes that, during these uncertain times, many of our families are facing unexpected stressors and demands. Most of our traditional timelines and procedures have required adjusting and review as we approach the end of the school year and look toward our next. Regarding the purchase and provision of school supplies for the 2020-2021 school year, please see the below lists of **basic supplies required for September**.

### At Our School we are encouraging families

- to use supplies from last year where possible
- to send a container for their supplies to be kept separate from other students' supplies
- to label all student supplies
- purchase supplies as needed
- any excess supplies should be kept at home
- Replenish as needed

Kilmer Elementary has removed all duotangs, and pocket folders from the Supply Lists, and will be providing them to each student as requested by their classroom teacher.

Once student placements have been determined, teachers may request additional, optional supplies required for student use in their classroom. Currently, we do not have enough information to request indoor shoes as a requirement and will notify families as soon as additional information becomes available.

If you are experiencing financial hardship or require any further information or clarification regarding the purchase and provision of supplies for the upcoming school year at your child's school, please contact Principal, Laurie Birnie by email.

### Basic supplies required for September

Grade 4-5 French Supply List
