

THE WEEK AHEAD

Just a few days away from our Winter Concert. Thanks so much to all of parents who have bravely navigated our new ticket system and ordered tickets for the performances. Parents were asked to only secure two tickets per email address. We have no seats left for the evening performance. We have **thirty families** on our wait list. Tickets are still available for the morning performance as there are 43 seats still available. If there is anyone who has reserved seats for the evening concert who will not be using them, please contact the office as soon as possible on Monday. Some seats will be available for our dress rehearsal on Monday afternoon. All of our students will be watching the performances on Monday and so we will have about the same number of seats for visitors as we do for our Star Student Assemblies. Kilmer is participating in the SHARE Community Food Drive again this year. Please bring your food donations to the school before December 20th. There will be donation boxes at the door for families who wish to bring their donations to the concert.

Closure of Schools for Extreme Weather Conditions

In the case of extreme weather conditions such as ice, wind and/or excessive snowfall, the Superintendent of Schools has authority on behalf of the Board, to temporarily close a school. As a general expectation, parents should assume that schools are open. If parents believe the local conditions are unsafe, they should keep their child at home or arrange his/her early dismissal. If schools are to be closed before morning classes begin, an announcement will be made on local radio stations CKNW (980), CKWX (1130) and CBC (690) by 7:30 am if possible.
