

We are looking forward to a busy week ahead at Kilmer, registering the new Kindergarten families on Monday, Tuesday and Wednesday. The office will be busy, and we are asking that all families do their best to plan ahead for these busy days.

Please ensure you use the [online absence report](#) before 8am, give your family adequate time to arrive on time safely and ensure your students are prepared for their day with lunches, homework and extra clothing.

While we will do our best, the office may not be able to return phone calls or emails in a timely manner during the Kindergarten Registration Process. Please email Kilmer@sd43.bc.ca and your child's classroom teacher should something arise.

On Thursday, students will be dismissed at 1:40pm for Student Led Conferences. Please refer to the information provided by your child's classroom teacher around their appointment scheduling.

Looking forward to the Week Ahead,

Laurie

Closure of Schools for Extreme Weather Conditions

In the case of extreme weather conditions such as ice, wind and/or excessive snowfall, the Superintendent of Schools has authority on behalf of the Board, to temporarily close a school. As a general expectation, parents should assume that schools are open. If parents believe the local conditions are unsafe, they should keep their child at home or arrange his/her early dismissal. If schools are to be closed before morning classes begin, an announcement will be made on local radio stations CKNW (980), CKWX (1130) and CBC (690) by 7:30 am if possible.

STUDENT LED CONFERENCES

Dear Parents,

On Thursday, February 6th, Kilmer students will be participating in Student Led Conferences. These conferences are an excellent opportunity for students to showcase their learning, to share their accomplishments with their families, and to practice their communication and leadership skills. Student led conferences are one of two informal reports shared with parents regarding student progress during the school year. Teachers and students have been preparing for the conferences for several weeks.

As parents arrive at classrooms, children will lead them through a set agenda which allows the child to highlight his or her work over the last term. In most cases, a student led conference lasts for about 20 minutes with the child in the lead. Please note that this is not the time for a parent / teacher conference. If you have questions or concerns arising from your child's student led conference, please feel free to contact the teacher to arrange for another time to discuss any issues.

[There will be early dismissal to accommodate this event.](#)

[Students will be dismissed at 1:40 pm on Thursday, February 6th](#)

**Individual teachers may have set different times for their classes due to unique circumstances. In those cases, teachers will have sent home a separate notice.*
