On **Friday March 13th**, it is the annual *Carnaval de l'École Kilmer*. Students will have a chance to take part in adapted (and sometimes invented) events of this wonderful 400-year old Québécois celebration. Kilmer students will learn a French *Carnaval* song, take part in canoe races (scooters on the gym floor), test out their curling skills (with beanbags), eat a maple treat and much, much more! Festivities begin promptly at 9:00 am and end at 12:00 pm.

As part of the celebration, students will be having a maple treat, in the form of a maple cookie. If your child has allergies or dietary restrictions, please send a special treat to school with them that day.

Also, we are in need of some supplies to help with one of the activities. If you **could donate a full roll or two of toilet paper (with the paper still on it)** we would much appreciate it. Just send them to school for your child's teacher to collect.

Are you a childcare provider?
Kilmer Parents are seeking childcare for the 2020-2021 school year.
Please complete the [Childcare Provider Questionnaire](#) so that we can put them in touch with you.

Buck a Book Fundraiser

Dear parents and guardians of Kilmer students,

The grade five students have been gathering gently used books, games and puzzles to sell after Spring Break as a fundraiser for Camp Sasamat. We would love to have a few extra contributions. We are looking for in-demand books and games that other students and parents in the community would be interested in buying.

Criteria to consider

Books

- Published within the last 20 years
- In “very good” or better used condition (no rips, writing or missing pages)
- Adult, youth or children’s books
- Fiction or non-fiction
- French or English

Games and puzzles

- Complete
- Very good condition
- In a box

Families may give their donations directly to Mme Rowe in room 306 or Mrs. Togno in room 202. We do not need boxes of donations, but a few items would be greatly appreciated.

Student Learning Survey 2019/2020

The Provincial Student Learning Survey is unique in its scope, size and usefulness to schools. It gathers information from parents, teachers and students on topics related to school environment, safety, and achievement. The information is used for planning in individual schools and provides a district and provincial perspective.

Early in **2020** the Student Learning Survey will be administered to **students in grades 4 and their parents**, and all school staff. We encourage parents to participate in this survey, as the results are important in identifying and celebrating current strengths, as well as determining where the school needs to focus improvement. The surveys contain standard questions for the Province. Questions from the school and/or district that focus on local conditions or issues may also be included.

The survey can be completed electronically and can be accessed on the Internet at http://www.bced.gov.bc.ca/sat_survey. Any computer with an Internet connection can be used, and access to the e-survey is simple and secure. The survey can be accessed through the link and the *Direct access* section of the log in page by selecting the school district and school name where your child attends school. Provincial, District and School Reports for previous years can be viewed at the same site under the *Results* section.

The e-survey site will be open until April 3rd.

If you have any questions, please contact the school.
