KILMER CLOTHING DRIVE 2020!!!!

Attention all Spring Cleaners!!!!
If you happen to be spending some of your time in the next month spring cleaning, please set aside any new or wearable, gently used clothes, belts and handbags or useable household textiles such as curtains, towels or bedding for our spring Clothing Drive. It doesn't matter if items have holes, a missing right or left shoe, or socks without a friend. The company that collects the items is able to use everything.

We will be officially **collecting items starting Monday, April 20th until the morning of Tuesday, April 28th**, so start cleaning out those closets and tell your family and friends to do the same!
We are paid per pound so remember.... **"The more we weigh....the more they pay!"**

Donations can be left on the gym stage.
Questions or you are able to help out please contact Lori Christie (Clothing Drive Parent Volunteer at loriloula@hotmail.com. Want more info please refer to the company's website at [Trans-Continental Textile Recycling Ltd.](http://www.transtextile.com) at www.transtextile.com

Student Learning Survey 2019/2020

The Provincial Student Learning Survey is unique in its scope, size and usefulness to schools. It gathers information from parents, teachers and students on topics related to school environment, safety, and achievement. The information is used for planning in individual schools and provides a district and provincial perspective.

Early in **2020** the Student Learning Survey will be administered to **students in grades 4 and their parents**, and all school staff. We encourage parents to participate in this survey, as the results are important in identifying and celebrating current strengths, as well as determining where the school needs to focus improvement. The surveys contain standard questions for the Province. Questions from the school and/or district that focus on local conditions or issues may also be included.

The survey can be completed electronically and can be accessed on the Internet at http://www.bced.gov.bc.ca/sat_survey. Any computer with an Internet connection can be used, and access to the e-survey is simple and secure. The survey can be accessed through the link and the *Direct access* section of the log in page by selecting the school district and school name where your child attends school. Provincial, District and School Reports for previous years can be viewed at the same site under the *Results* section.

The e-survey site will be open until April 3rd.

If you have any questions, please contact the school.
