On Wednesday, November 13<sup>th</sup>, we had an unexpected Fire Drill at Kilmer. Since that time, our SD43 maintenance team has been working hard upgrading our alarm and sensor system. We are grateful for the speedy response. The work was carried out and complete without interruption to any classes. Amazing! Thank you!!

## Closure of Schools for Extreme Weather Conditions

In the case of extreme weather conditions such as ice, wind and/or excessive snowfall, the Superintendent of Schools has authority on behalf of the Board, to temporarily close a school. As a general expectation, parents should assume that schools are open. If parents believe the local conditions are unsafe, they should keep their child at home or arrange his/her early dismissal. If schools are to be closed before morning classes begin, an announcement will be made on local radio stations CKNW (980), CKWX (1130) and CBC (690) by 7:30 am if possible.
