## Message from PAC

It is hard to believe that we are basically finished another year of school. What a big achievement for our little kindergarten kids to be finished and looking forward to grade 1 next year! We have just over 50 grade 5 students who have completed their final year at Elementary school and will be moving on to the next chapter at Middle School. Congratulations to all our grade 5s and we wish you all the best at Middle School.

The Leigh PAC wishes all our families a safe and fun summer holiday. We hope you all have a nice break from the day to day routine of the school year and come back to school in September recharged and ready to take on the next grade level!

Please mark your calendars for September with a few important dates that have already been set - the fun begins in September and runs through until June!

Janet Kampf and her team have already begun planning our 2<sup>nd</sup> annual Welcome Back to School movie night for Friday September 10<sup>th</sup>. This year will be even better than last (hard to believe it is possible) as we are planning on trying to have a barbecue as well. Remember, this event cannot happen without the help of parents so if you are interested in helping with this event, please email Janet at [rickjan@telus.net](mailto:rickjan@telus.net).

Janet is also planning on running a Street Hockey Tournament again in September. Tentative dates have been set for September 28, 29 and 30<sup>th</sup>. Get your friends together and form a team over the summer. You can practice your game and then enter to play in the tournament in September!

Also, our first PAC meeting for the school year is set for Tuesday September 21, 2010. This year, we will kick off the new year with a "white and red" meet and greet for all new parents who would like to see what PAC is all about. Please be sure to show up - there is no pressure to take an executive position or even speak if you aren't comfortable. PAC is the best way to stay informed on what is happening at the school each month and to voice your opinion on PAC expenditures and activities.

We have booked a magic show for Saturday November 6<sup>th</sup>. We will be doing 2 shows that day - one at 4pm and an evening performance at 7pm. This will be a school fund-raiser so watch for more details early in the new school year.

Last but not least, remember to bookmark the Leigh school website on your computers as it is always up to date and the teachers are using this site more and more as time goes by.

It is frequently updated with information by parent/teacher Jacquie Bischoff. Under the Parent section, we post all PAC minutes, newsletters forms and notices. The calendar is marked with all special events, meetings, hot lunch and snack days and so much more! A big thank you to Jacquie for always keeping our website current!

So enjoy your summer Leigh families and we look forward to a great school year for 2010/2011!
