## Year End Message From Leigh PAC

Another school year is coming to an end as beach, camping and summer trips are beckoning.

It has been a great year and we'd like to thank Leigh teachers, principal and staff for making this a productive and successful time for our kids. Also, our school would not be able to offer as many fun, informative and entertaining events if it weren't for the involvement and commitment of our parents. Take a look at what we have done this year on page 2!

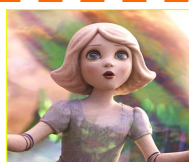

We encourage all the parents to think ahead to the fall. As you return to school, consider becoming involved in the PAC and if you are already volunteering your time, find and invite new

parents to become involved so that they feel welcomed and comfortable to be part of our fabulous school community.

If your child is graduating to middle school or moving to a new area, please know that we appreciate the time and support you have given to our school, we wish your child all the best in the new school year!

We look ahead to the fall as the PAC committees are already planning events for next school year. To get involved, come out to our first PAC meeting on Wednesday, September 11th at 7pm.

**We wish you a safe and happy summer!**
