Boys Night Out

On **Friday, April 26th**, Leigh boys will have an opportunity to enjoy a night out with their moms or another significant family member. Some of the activities include: indoor and outdoor sports (weather permitting) such as ball-games, races, tug of war, etc. Indoor dance room with a mirror ball and a DJ will entertain the boys with games and dancing. By popular demand, there will be a chocolate fountain with all the fixings. Photographer will be on site and if we are lucky, the fire truck and police might pay us a visit.

Main attraction for the evening will be the Starlab - a portable planetarium from HR McMillan Space Centre. Groups of 30 boys will enter the Starlab for 20-30 minute shows during which they can imagine standing on the Moon and looking back at Earth, experiencing Martian sunrise and even seeing what Milky Way galaxy looks like.

To help us plan for the number of boys attending, please order your tickets as soon as possible, latest by April 16th. You can place your order online with the [Munch-a-Lunch system](#) or return the RSVP and volunteer forms to school. For any questions, please email LeighPACinfo@gmail.com.
