- 1) 10 laptops, 6 document cameras, and 6 projectors totalling \$14, 893.76**
- 2) 20 refreshed iPads and 10 new iPads totalling \$ 14,990**
- 3) Digital literacy items which would include 15 laptops, 12 iPads, 8 Shero SPRK, and 5 OSMO kits totalling \$15,555.00**

**4) Classroom upgrades – paint brushes, sports bags, heavy duty stapler, play money totalling \$2000**

**These will be the items we will be voting on to spend our money. Unfortunately we cannot get all of these items so we will decide at the meeting which items are most beneficial. I have broken them into sections as to try to decide on a total set as opposed to a little of this and a little of that leading to incomplete classrooms. I will try to have 1 or 2 teachers join our meeting to explain why or which items are the most beneficial. Please join this meeting to have a say as to where this money is being spent.**

Babysitting is provided and everyone is welcome and encouraged to come out. If you are unable to attend a meeting, we welcome emails to the [leighpacinfo@gmail.com](mailto:leighpacinfo@gmail.com) account. This is a great way to get information directly or to offer support or suggestions.

Thank you,

Laura Cain
