

LBP PAC News

OCTOBER 12, 20018

In an effort to be more inclusive, I've attempted to translate this newsletter into several other languages for parents who are not fluent or comfortable in English. The translations will appear as links below and I hope that they convey the original intent of this message. If you are available to help with verifying translations, please contact me at lbpac.chair@gmail.com. Any assistance would be greatly appreciated. We want to make the PAC inclusive to all and not let language be a barrier to involvement.

We had our first PAC meeting on October 1st, it was great to see both new and familiar faces. If you are interested in becoming involved, a great way to communicate with other parents is our Facebook group located here <https://www.facebook.com/groups/2536504783240765/>. We are also always looking for volunteers and have created a mailing distribution list. Please contact me at lbpac.chair@gmail.com if you would like to be added to this list.

Some other things to note that have started as of September are our marker and battery recycling programs. Located in boxes at the front of the school, parents are encouraged to drop off batteries and markers to be recycled. We also have partnered with Cobs bread at Louheed Mall for a fundraising effort. Mention that you are fundraising for Lord Baden Powell PAC when you make a purchase there, and our PAC will receive a portion of the profits.

Lastly, we have created a survey for parents, so that we can direct our efforts effectively. It is located here <https://goo.gl/forms/ZWD2MqwdV5jCjMPR2>

We would greatly appreciate as many responses as possible.
