Fundraising

Why do we need to fundraise?

The PAC works in partnership with the principal and teachers to make sure the kids have the best experience at school possible. Money raised helps pay for extra opportunities that benefits every child. Every dollar you contribute makes a difference in each child's experience at school.

How can we fundraise in COVID times?

The PAC will need to think creatively about fundraising this year. With new restrictions not allowing parent volunteers in the school, we need your support to ensure we raise funds and make this school year really special for the kids! See details below on how **YOU** can help!
