# Important Information for our Winter Activity Day at Mount Seymour

**Students are to be in their classroom for attendance at 8:00AM.**

Parent Volunteers are to check-in with their Child's Classroom Teacher.

---

**Technology-Device-Free Day!** Students will leave any electronic device (ex. cell phones, tablets, etc) at home, or at the school in their locker to enjoy their full day of activities. If students need to call parents, they can see one of our staff members for assistance.

### Students should bring:

- Dress weather appropriate: wear warm and layered clothing, waterproof pants and jacket, a toque, gloves, goggles, helmet (skiing/snowboarding) and extra socks.
- Students should also bring their own snacks, ample fluids, lunch or lunch money.
- On-mountain storage facilities are available for a fee, but limited, so bring only what is necessary (do not bring any valuables). Teachers will not supervise belongings and are not responsible for items that are damaged, lost or stolen.

### Special Safety Information Pertaining to Field Trip:

- Students are required to wear a helmet AT ALL TIMES while skiing and snowboarding, no exceptions.
- Everyone is expected to be with a buddy AT ALL TIMES, no exceptions.
- Students will be required to meet supervisors to check-in at designated times and are expected to arrive promptly, ready to proceed.

**Attendance:** if your child becomes ill please notify the school prior to 8AM by calling the school at 604-931-3574 and leave a message on the answering machine, or submitting an Absence Report online [AbsenceReportForm - New Form](#)

**Arrival Time at the School:** Anticipated return time is between 3:15PM and 3:30PM. Please check the school website for updated arrival times.

# WINTER SCHOOL PROGRAMS

Welcome to Mt Seymour. Over the years a special relationship has developed between school groups and Mt Seymour. The goal of our Ski & Snowboard School is to provide students with a positive experience in our outdoor classroom, the slopes! Instructors will help their students to learn and to enjoy their accomplishments on snow in a safe manner.

## School Contact...

Our programs are successful due to the organization and effort of school supervisors. Your school supervisor will be able to answer many of your questions and provide direction.

M. Clay & T. Roberts

Your school supervisor is: Maillard Middle School Phone: 604-931-3574

## Snowphone...

Mountain weather changes very quickly and is difficult to predict. A good rule of thumb is "prepare for the worst and hope for the best". For up-to-date weather conditions, contact our Mt Seymour Snowphone:

## The Lessons...

Classes are organized by sport and student ability levels. Our classes are taught by certified instructors who will help your students develop skill and confidence on the slopes in a safe and controlled environment.

## Student Information Form...

All students are asked to fill out the medical and rental information section of this pamphlet (below). Students and parents should read and sign the acknowledgement on the reverse. After measuring your foot using the ruler to the right please **return the completed bottom section** of your Information Form to your school. The top section is yours to keep for future reference.
