Jen:

Cultus Lake fieldtrip: kids and staff are very excited. High rate of acceptance. Of 360 students, 305 are signed up to go.

Staffing: student projection is down so we will loose a division. Loosing a division in French. Going down to 3 teams instead of 4 and expo will be 5 rotations instead of 4 to free up one teacher as an extra student services teacher in the afternoons.

Lots of walking fieldtrips happening.

Badminton: so many kids showed up that they needed to double the 50 permission forms.

**Chair Report:** no fundraising this year due to Covid, burnout and no real help beyond the executive.
