### Grade 8 Parents-Catchment Secondary Letters & Cross Catchment Dates

You should have received an email this afternoon that will indicate your Grade 8 child's catchment Secondary School for Grade 9, which is based on your home address on file.

If you would like to have your child attend another Secondary School, you must apply for a cross-catchment. **The SD 43 Cross Catchment Process will be online only at [www.sd43.bc.ca](http://www.sd43.bc.ca), starting at 9AM on Friday, February 6, 2026, and ending promptly at 4PM on Wednesday, February 11, 2026.** If your child has a sibling at a Secondary School that is not your catchment Secondary, you will still need to apply for cross catchment, **indicating the sibling status**.

NOTE: If you are aware of any neighbourhood students registering for our various Programs of Choice (French Immersion, Montessori, Mandarin Bilingual), please direct them to the SD43 website [www.sd43.bc.ca](http://www.sd43.bc.ca), to ensure they are aware of the process and important registration dates and information sessions.

**Student Attendance:** If your child will be away from school, longer than the Winter Break dates (Dec 22, 2025 to Jan 2, 2026), please use the [Maillard Absence Report](#) to report their absence from school. You may also choose to email your child's teacher direct [Maillard Teacher Email Addresses](#), to let them know, however it is not required.

If your child is not feeling well during the school day, please remind them to **let their teacher know first**. After that, they should **go to the school office to use the office phone to call home**.

--Students are expected to use the school phone rather than their personal device(s) when contacting family during school hours.
