École Maillard Middle School e-Newsletter-Friday, June 19, 2026

The end of a school year is often a time of transition and goodbyes. As many of you already know, I will be leaving our school community at the end of June to take on a new role this fall. It has been a privilege to serve as Maillard's Vice Principal over the past three years. The relationships, experiences and memories I have made within this community have been both meaningful and enjoyable, and I am grateful for the support and kindness I have received. Thank you for the many positive experiences and connections I have made here. I wish all of our students, families and staff all the very best in the years ahead.

Mrs. Esmail
Vice-Principal

Game Ready Fitness Summer Camps help kids move, play, lead, and have fun! Through our Elementary IMPACT program (Impacting My Peers And Community Together), campers learn how to be kind teammates, confident movers, and positive leaders.

Each week is filled with fun games, sports, and activities that build strength, coordination, confidence, and sportsmanship in a safe and supportive environment. Kids will run, jump, throw, play, and try new skills while learning how to work together and respect others.

Campers will explore sports like soccer, basketball, volleyball, football, and more, guided by friendly coaches who are former university athletes and community leaders. They'll practice skills, learn simple rules, try new equipment, and discover that effort, teamwork, and a positive attitude make a big IMPACT—on and off the field!

Leadership & Sport Skill Development

Each camper will receive a leadership workbook, allowing them to track progress, reflect on personal growth, and set performance goals throughout the week.

Sport-specific skills from activities such as soccer, basketball, volleyball, football, and more will be taught and developed by former university student-athletes and community leaders with proven experience in youth development.

Throughout the camp week, participants will:

- Learn and practice fundamental sport skills
- Try new equipment and activities
- Learn rules of various sports and games
- Develop leadership, teamwork, and sportsmanship through play

Below is the link to register for any of our upcoming Summer Camps. Just type in the search bar "WKF" and all the camps we offer throughout the summer will appear. Please note that not every camp is hosted at our facility and that we are also doing camps at certain schools in the area.
