Community Events

This Fall, a student from Riverside Secondary is leading an initiative called Community Comfort to support those in our community who need warmth this winter. We're inviting students, families, and staff to help by donating brand new socks, winter hats, gloves, and mittens. There will be collection box by the main entrance, all collected items will be shared with local organizations and individuals in need.

Donations will be picked up by the end of October, so we encourage everyone to contribute to this meaningful act of gratitude, giving, and generosity.

Your support will help make a real difference in the lives of community members this winter. Thank you for helping spread warmth and kindness!
