PAC News Updates cont'd

Our donation program offers families a meaningful way to support our school community while also receiving a charitable tax receipt for donations over \$25. 100% of your donation goes directly to the PAC to enhance programs and resources that benefit all Maillard students. We suggest a donation of \$35 per student or \$55 per family (with two or more children in the school); however, any amount you contribute will be greatly appreciated. Make your donation through your School Cash Online account at <https://sd43.schoolcashionline.com>

Dear Parents and Guardians,

Your **Maillard Middle Parent Advisory Council (PAC)** has been working hard to provide all of our children with the best school experience possible. Over the years, we've proudly supported our students, school administration, and teachers by funding initiatives not covered by the district.

Some of our past "wish list" contributions have included:

- Missing emergency PREP equipment
- Cultural performance events
- Sports equipment and jersey needs
- Team t-shirts
- Grade 8 leaving activities

This year, we're excited to share that we've budgeted to replace the gym scoreboard!

This year's donations will help fund the **redesign of our gym**, led by artist **Dean Lauze**, who also transformed the gyms at École Rochester and École Kwayhquitlum Middle, among many other schools in the district!

Important Note: No student will ever be excluded from activities if their family is unable or chooses not to support this fundraising initiative, as it is completely optional.

Thank you in advance for your consideration and continued support!
