École Maillard Middle School e-Newsletter-Thursday, September 4, 2025

First Week Activities have been a daily success!

It was a busy week back to school filled with lots of connecting and community building! We hope students are feeling familiar with the building as we settle into our routines next week. Please note that teachers will communicate with students directly about what supplies are needed beyond what was initially requested this week.

Important information will be sent home early next week regarding our Bring Your Own Device (BYOD) program. Please keep an eye out for details to ensure your child is prepared.

We wish you all a restful weekend and look forward to the week ahead!

Reminder-Pancake Breakfast is tomorrow morning from 8AM to 8:30AM.

Students are welcome in our school cafeteria during this time to have their breakfast.

Students must be in class by 8:40AM for attendance (the warning bell is at 8:35AM).

E-bikes and E-scooters

The BC government has recently updated their regulations for E-bikes and E-scooters to highlight the importance of safety. It's worth noting that E-scooters are permitted to be operated by anyone 16 years of age or older. "Light E-bikes" (max 250W) are permitted to be operated by anyone 14 years of age or older, while "Standard E-bikes" (max 500W) are permitted to be operated by anyone 16 years of age or older. There are also regulations pertaining to where E-bikes and E-scooters are permitted to be operated.

For the safety of students and staff, those old enough to ride E-bikes and E-scooters should operate them with caution on and around school district properties.

You can review these updated regulations here:
