Talons Tutoring:

This initiative provides free and accessible tutoring for students in grades 4-8 during after-school hours (4:00–5:15 PM) at Gleneagle Secondary School. In addition to benefiting younger students in the district, this program offers Gleneagle students a meaningful opportunity to earn volunteer hours by tutoring younger students.

The subjects offered include English, Math, Science, Social Studies, Music, and Languages (Mandarin, French, Spanish, etc.). Our goal is to create a safe and supportive learning environment where students can ask questions, complete assignments, and engage in focused learning before heading home.

Summer Learning: Registration for Summer School classes will take place in the first week March. Please view the attached Summer Learning 2025.pdf for more information or go to the Summer Learning website at www.sd43SummerLearning.ca or call 604-936-4261.
