Maillard's 'After Hours Party' Fundraiser APRIL 24th – 5:30 to 8:45

Raise money for the cause of your choice – **The Terry Fox Run** or **Under the Same Sun** – to participate in a very fun evening where you can walk away with prizes and maybe even a **CAKE** or a *giant jar of candy*!

When you arrive at 5:30 pizza will be served for dinner. There will be a concession stand with pop, and chips – all for \$1.00! There will be fun activities to participate in: Kahoot, Jackbox games, gym games, musical chairs and karaoke (you can sing along or watch entertainment). At the end of the evening, we will spin the wheel to see who wins a cake and the winner of the Giant Jar of Candy will be announced.

How do you participate?

Take a pledge form and collect donations for either the Terry Fox foundation or Under the Same Sun or both!

- You must raise at least \$20 to participate, plus pay for your pizza (\$5.00 for two slices or \$10.00 for four).
- With each \$10 raised you will get one ticket to enter to win the giant jar of candy by guessing the correct number of candies in the jar. So, if you raise \$60 you will get six guesses!!
- For every \$20 raised your name will be entered once onto the Wheel of Names, where you can win a Cake or other yummy dessert to take home. So, if you raise \$60, your name will be entered three times. You can only win once, though your chances of winning will be greater with the more money you raise.
- There will also be candy prizes at the Kahoot and Musical chairs station.

Our Skills for Life Summer Camp is a supportive and inclusive program designed to help children with diverse abilities build essential social and life skills in a fun and engaging environment. Through a combination of structured activities, group interaction, and individualized support, we provide students with the tools they need to gain confidence, form friendships, and navigate everyday challenges. In addition to fostering social and life skills, our program focuses on developing self-regulation skills, problem-solving abilities, and practical life skills like cooking. We aim to empower campers to manage their emotions, make thoughtful decisions, and apply problem-solving strategies in various situations.

Cooking activities offer a hands-on way to practice following directions, teamwork, and independent task management. Our goal is to create a safe, welcoming space where every child can thrive, grow, and have fun. Students are to bring their own support staff to assist them in the program, ensuring they receive the personalized support they need to succeed.
