Our Story

As you are probably aware, the City of Coquitlam is operating the new community centre, located at 1200 Cartier Ave., which opened last September. To avoid any confusion moving forward, the Place Maillardville name will continue to be associated with our Society. The new city building is called Maillardville Community Centre. There is no affiliation between the Society and the City building.

With the help of our board of directors, staff and partnering agencies, we have been working tirelessly behind the scenes establishing our Society's programming sites. Here are some of the program offerings and facilities we are using:

- Place Maillardville Society's office is now located in Maillard Middle School. As we are in a school, we can no longer have in-person visits to our office. To register, call us at 604-933-6166. We would like to thank Maillard Middle School Administration and School District #43 for their incredible ongoing support!
- Our Afterschool programs, funded by the United Way of British Columbia and SD43, continue to be offered at Cape Horn, Rochester, Maillard Middle, Alderson and Lord Baden Powell schools.
- Our Youth Drop-in program, funded by the Province of British Columbia and SD43, is offered at Maillard Middle School.
- Our Seniors' programs, funded by the Province of British Columbia, are offered at Our Lady of Lourdes Church Hall.
- Our Family & Early Years programs, funded by the Ministry of Children and Family Development, are offered at the YMCA Child Care Resource Centre and Our Lady of Lourdes Church Hall.

Moving forward, our biggest challenge will be finding affordable community programming space and storage to grow and develop our services, since we currently do not have a facility of our own. The program spaces we do have lined up are largely due to the generosity and support of partnering agencies and patrons. We are still looking for more space and/or storage. If you have any suggestions, please call 604-933-6166.

Thank you for continuing this journey with us and helping Place Maillardville Society secure their future, as we continue to offer our programs and services while striving to make our community a better place.
