Happy New Year Maillard Community,

I hope your winter break was enjoyable with lots of family and friends time. We are excited to be back at it here at Maillard!

Today is the last day of the current Expo rotation. On Monday, students will transition to their third of five expo courses. Hopefully, your child has enjoyed their current expo experience and are looking forward to a new opportunity.

You should have already accessed your child's report card. If you haven't, please follow the instructions below. If you encounter any problems, please email 081-office@sd43.bc.ca for help.

With regards to reporting in the future, as stated in a previous newsletter, Maillard will be changing from letter grades to proficiency scales for report in term two and three. The ministry of education has implemented this expectation starting in September for all reporting grades K-9 (see link below). Therefore, we felt it important to transition to the proficiency scale to prepare families for the change. Please read the information contained in the link below and email me should you have questions.

Parents of grade 8 students should have received a catchment letter indicating the high school their child is schedule to attend. If you and your child wish to attend a different school you will have complete the course boundary request. That process is also outlined in the letter you received. If your child is in French Immersion but wishes to transfer to English and attend Centennial. Please inform us at the office so we can notify to appropriate people at each school.

Have a great weekend all!!
