The City of Coquitlam tendered a contract to upgrade the sanitary sewer along Casey Street, from Thomas Avenue to Cartier Avenue.

Construction is expected to begin this summer and will take approximately three months, weather dependent. Work will take place Monday through Friday between the hours of 7:00 a.m. and 7:00 p.m., with possible Saturday work.

Heavy equipment and machinery will be used to complete this work. Traffic flow and street parking will be impacted during construction, but every effort will be made to minimize disruption. All efforts will be made to maintain access to properties, although some temporary interruptions will occur. Construction equipment and construction materials may be stored on the street and boulevard in the surrounding area.
