4. New Business:

1. Fundraising updates

Flipgive links sent out \$64.87 raised as of Dec 29. They will allow a payout if you don't reach the \$100 threshold but will not pay out the credits, only the amounts earned shopping, if you withdraw with less than \$100. We can wait till the end of the year.

We will not add anymore fundraising at this point.

5. Ongoing Business:

5.1 Principal's Report - Andrew Graham

Welcome to all new faces.

Covid 19 Updates: Protocols working well. 725 people in the school all day.

New families have been following protocols and getting registered. Although not required about 1/3-1/2 will wear masks in classrooms. All kids wear masks in common areas. No known exposures at Maple Creek. Big thank you to the community to being safe and following protocols. If an exposure happens, a cleaning crew will come in and clean all areas the exposures have taken place. Schools were kept open because of the low exposure rates with kids. Most exposures in BC have been adults

Report Card: Currently the Report Cards are on My Education BC Portal (MyEdBC). Maple Creek will be adding a feature to that students and parents can access this information also. This information is shared between schools. Grade 8 students will be getting an account this month. Their report cards will be online in

term two. Grade 6 and 7 students will be added for the third term. This will also allow you to access old report cards. This will reduce the use of paper. Will be similar to fresh grade in the future.

5.2 Vice Principal's Report – Larry Ryan

Leadership - Leadership team ran a great week before Christmas break. They will be running another theme week before spring break.

FSA - Foundational Skills Assessment- Assessment of reading, writing and numeracy. It will be happening for the Grade7s Feb 15- March 12.

MDI - Middle Years Development Years - Questions around well being, health and academics (grade 4 and 8). District and community centres use it for planning and meeting needs

SLS - Student Learning Survey- Survey of parents, students and staff- how students are learning.

5.3 Executive Reports:

5.3.1 Chair – Andrea Gretchev - Nothing to report at this point.

5.3.2 Treasurer – Annie Tsang - No new activity to report

Teacher Wish List - Larry and Andrew have gone through the report and approved items. Rachel is starting to purchase items. Still waiting to hear back for a few teams. Wish will be finalized ASAP

5.3.3 DPAC - Pooneh Kraushar

DPAC Meeting - Dave Sands - Technology and Kids January 27th. Andrew will send the invitation out to parents.

5.4 Mail and Communications

5.5 Next meeting - Mar 1 (no meeting in Feb)
