

Christmas Everywhere

Snowflakes are falling, people come calling,

Goodwill to all everywhere.

Church bells are ringing, carolers singing,

Presents we're bringing to share.

There's music in the air, and joy is ev'ry where.

Christmas, it's Christmas, it's Christmas every where.

Christmas, it's Christmas and joy will fill the air.

Christmas, it's Christmas, a wonderland of white.

Christmas, it's Christmas and such a pretty sight.

Yes ev'ry where it's Christmas, Ev'ry where it's Christmas,

Ev'ry where it's Christmas to night.

Christmas songs glad tidings tell

Sing their song "Noel noel."

Peace on earth, good will to men,

It's Christmas time again.

Christmas, it's Christmas, it's Christmas every where.

Christmas, it's Christmas and joy will fill the air.

Christmas, it's Christmas, a wonderland of white.

Christmas, it's Christmas and such a pretty sight.

Yes ev'ry where it's Christmas, Ev'ry where it's Christmas,

Ev'ry where it's Christmas to night.
