

The Season Of Hope

This is the season of hope.

A wonderful time of the year.

People are caring: giving and sharing.

This is the season of hope.

Reach out and try something new:

Start a tradition, or two.

No need to choose; nothing to lose.

This is the season of hope.

We put up walls from things that are new.

Open our hearts; is what we must do!

This is the season of hope.

A wonderful time of the year.

We can be more! Look what's in store!

This is the season of hope!

This is the season of hope!
