

Hi to all my StrongStart families 😊 I miss you deeply and I hope that you are taking good care of each other. I am looking forward to staying connected through this newsletter. You can also email me at ljang@sd43.bc.ca.
With love and hugs, Miss Linda

Activity:

Go on a color scavenger hunt in your house. Can you find an object of each color from Dog's Colorful Day? Can you find an object of each color outside?

Miss Linda read a story:
[Dog's Colorful Day](#)

Activity:

Fill up the sink or some kind of tub, with water. Choose 10 objects that can go in water. Before you put one of the objects in the water, take a guess (predict) if the object will sink or float. You can make a chart to show which objects floated and which objects sunk.

Parent/Community Resources:

Sal and the library bus are back! For more information:
