Cross Catchment Process

The cross catchment process begins on February 7 at 9:00 am and ends on February 12 at 4:00 pm. A student's catchment is decided by the parent and child's residence (permanent home address in which the family is living at the time they make application).

- Sibling status: children, who have a sibling at a school outside their catchment, will be accepted at the sibling's school (provided the sibling will be in attendance when the incoming student begins their schooling at the out of catchment school). Parents of children in Grades 1-12 need to fill out the sibling part of the online cross catchment application process (February 7 – 12) confirming sibling status.
- Families that live outside SD43 catchment boundaries and would like to register for the next year at a SD43 school need to go through the cross catchment process.

Have a great weekend!
