GLOW DANCE: VOLUNTEERS NEEDED!

The Miller Park Community School PAC is hosting the school's annual glow dance on Friday, June 13th and we need volunteers to help us make it the BEST DANCE EVER!

If you're the artistic and / or creative type then consider signing up to help make decorations on one of the days leading up to the event. Or if you're really great at hanging stuff and / or moving things around then one of the set-up shifts would be a good fit for you! If you're already planning on attending the event with your family then maybe you can spare an hour to help at the concession. Any help is very appreciated! Please check the volunteer-sign up sheet to see what works the best for you:

This will be the last big PAC event of this school year so if you've hesitated to volunteer before this is your chance to do it. And it's the funniest one too!

Student volunteers from Banting Middle and Charles Best Secondary will get a certificate the week after the dance showing the hours that they completed.

If you have any questions about volunteering for the Glow Dance - or about the dance itself - then please email us at pacatmillerpark@gmail.com.

Thank you!

With warmest regards,

Your Miller Park Community School PAC

Track and Field

Wednesday's track meet was a great success! Our students performed well, showcasing their hard work, determination and school spirit! The weather was perfect, adding to the excitement and energy of the day.

A heartfelt thank you goes out to our dedicated teachers for all the planning and organizing that goes into making this an enjoyable and memorable event for everyone involved.

Planning for September

As we begin planning for the next school year, we recognize the importance of considering each child's unique needs to ensure their success. We value your insights and invite you to share any information that you believe should be considered when placing your child for the upcoming school year.

If you wish to provide input, please focus on the social, emotional and educational needs of your child. Include their name and current grade in your email. We ask that you describe how your child learns best, rather than requesting a specific teacher.

Your input is invaluable in helping us create a supportive and effective learning environment for all students. **Please send your request and any questions regarding this topic via email to Mrs. MacDonald at tamacdonald@sd43.bc.ca by May 28, 2025 at 4:00pm.**

While the information that you provide will be taken into consideration in the placement of your child, please understand that we cannot guarantee our ability to meet your request. Our teaching staff will spend many hours from June through to September working on creating possible class groups via a very involved process, and many factors are taken into consideration.

Class organizations and student placements are not confirmed until September when we know the exact number of students we will have in the school. Once our enrolment and staffing level is confirmed, then we seek approval to move into classes from our district office. Typically this happens the second week of school in September.

Breakfast Program

Everyone is invited to come and have breakfast each morning. There is no registration required. Breakfast is served from 8:30 am – 8:55am each morning in the gym. Please join us!

Breakfast Club Menu May 26 – May 30
