Home games will be held in our gym and away games are at schools in our local area. A schedule will be sent home with kids on the team. I encourage all grade 4 and 5 students to come out to basketball. No experience is necessary! Everyone is welcome!

### Kindergarten Registration

Kindergarten registration will be Feb 2 -5 . It's important that families register their Kindergarten child (birth year 2021) during the registration time period as spots will fill quickly. If you have friends and neighbours with a child born in 2021, please pass along this information.

Please contact Ann or myself if you have any questions.

### Cross Catchment Process

This process is for new students who are registering at a school. If your child already attends Miller Park and you have moved, this process does not apply to you. You are able to remain at Miller Park until your child finishes grade 5. At that time, you will need to apply to your catchment school for grade 6.

If you would like to attend a different school and live in Miller Park catchment, you would need to apply for a cross catchment registration. See information below.

**The cross catchment process begins on February 6 at 9:00 am and ends on February 11 at 4:00 pm. A student's catchment is decided by the parent and child's residence (permanent home address in which the family is living at the time they make application).**

- **Sibling status:** children, who have a sibling at a school outside their catchment, will be accepted at the sibling's school (provided the sibling will be in attendance when the incoming student begins their schooling at the out of catchment school). Parents of children in Grades 1-12 need to fill out the sibling part of the online cross catchment application process (February 6 - 11) confirming sibling status.
- **Families that live outside SD43 catchment boundaries and would like to register for the next year at a SD43 school need to go through the cross catchment process.**

Have a great weekend!

Mrs. MacDonald
