Planning for September

As we begin planning for the next school year, we recognize the importance of considering each child's unique needs to ensure their success. We value your insights and invite you to share any information that you believe should be considered when placing your child for the upcoming school year.

If you wish to provide input, please focus on the social, emotional and educational needs of your child. Include their name and current grade in your email. We ask that you describe how your child learns best, rather than requesting a specific teacher.

Your input is invaluable in helping us create a supportive and effective learning environment for all students. **Please send your request and any questions regarding this topic via email to Mrs. MacDonald at tamacdonald@sd43.bc.ca by May 28, 2026 at 4:00pm.**

While the information that you provide will be taken into consideration in the placement of your child, please understand that we cannot guarantee our ability to meet your request. Our teaching staff will spend many hours from June through to September working on creating possible class groups via a very involved process, and many factors are taken into consideration.

Class organizations and student placements are not confirmed until September when we know the exact number of students we will have in the school. Once our enrolment and staffing level is confirmed, then we seek approval to move into classes from our district office. Typically this happens the second week of school in September.

Breakfast Program

Everyone is invited to come and have breakfast each morning. There is no registration required. Breakfast is served from 8:30 am – 8:55am each morning in the gym. Please join us!
