Learning Updates (aka Report Cards)

I am reading through each student's learning update for Term 1 this weekend. We will be ready to post to the Parent Portal on Thursday December 4, 2025. Please make sure you have access to the Parent Portal. You can reach out to Ann if you are having trouble accessing the portal.

Christmas Concert – December 10

On December 10, we have two concert times. At the 1:00pm show, we encourage families that are not able to attend in the evening as well as those members of your extended families (grandparents, aunts, uncles) to attend so that we have enough room for immediate families at the evening performance.

Please note that at all concerts, we offer a Paparazzi section for parents. Each division will be announced ahead of their performance. Parents of those children are then invited to sit on the benches up front to see the performance and take photos if they wish. At the end, those parents return to their seats and the next group of parents are invited forward. This allows all parents to see their children up close and personal! Make sure you know what your child's teacher's name is or division number!

Thank you to the PAC for providing hot chocolate and treats for students at our “Polar Express” event! We combine this special event with our official lighting of the Christmas tree in the front entrance. This is our second annual Polar Express event and is so much fun for students, staff and parents who come to help!

Thank you to everyone who supported our ArtCards fundraiser and our Purdy’s chocolate fundraiser! We appreciate your support!
