Westcoast Recess and Lunch:

As we begin to move into cooler weather and the rainy season, students will need jackets and boots. We have what we call a "Westcoast recess and lunch" throughout the school district. This means that unless it's really cold or really rainy, we go outside for recess and lunch. It's important for the kids to move around and get outside in the fresh air if only for a short time. Please help us with sending your child prepared for the weather. A change of clothes is a really good idea. The fields are wet and the puddles are very tempting. Many of us cannot resist a good mud puddle and having a change of clothes on hand is helpful on those days.

Have a great weekend!
