

SCHOOL FANOUT

Royal Canadian Mounted Police
Coquitlam Detachment

Details:

RCMP want to remind Students, Parents and Guardians:

In light of recent assault of a fifteen year old over the weekend we would like all students, Parents and Guardians to exercise safety.

If you are going to be walking to and from school or late at night:

- Be aware of your surroundings,
- Never walk home alone,
- Stick to well lit and open routes,
- Advise someone of your whereabouts if not coming home at the scheduled time.
- Do not speak with strangers or approach their vehicle.
- If you have a cellular telephone keep it on at all time if something suspicious occurs contact 911 or trusted adult immediately.
- If you don't have a cellular telephone go immediately to a public area and ask for help.
- Parents and Guardians insure to inquire where your children are going and what time they plan on returning.

Please keep these safety types in mind.
