Edition # 6 - Monday, February 2<sup>nd</sup>, 2026

This month is an opportunity to celebrate Black Canadians who have been agents of change and recognize their achievements. At the same time, it also offers us the chance to rededicate ourselves to addressing the systemic barriers that continue to be a daily reality for Black Canadians.

## For Your Consideration- Anxiety

This month many students are tackling public speaking. For most of us, public speaking is a source of normal healthy worry that helps motivate us to write our speech and practice. But for some students, public speaking and many other normal life experiences can feel overwhelming.

Anxiety and depression are the most common mental illnesses in Canada. The good news is that they are also the most treatable, but treatment requires action. Anxiety Canada is a well-respected website that contains basic information, a quiz as well as strategies and support for all age groups.

Anxiety protects us from many real dangers but can become a problem when it interferes in our daily living. It can become a problem when it:

- Goes off when there is no **real** or immediate danger.
- Happens a lot.
- Feels intense.
- Causes distress.
- Stops your child from doing fun and important things (e.g., like going to school events or birthday parties, making friends or getting homework done)

MindShift™ CBT uses scientifically proven strategies based on Cognitive Behavioural Therapy (CBT) to help you learn to relax and be mindful, develop more effective ways of thinking, and use active steps to take charge of your anxiety." At the bottom, there is a "LEARN MORE" button, a "GET IT ON Google Play" button, and a "Download on the App Store" button.

## PARENT EDUCATION

VAPING- For many students, early adolescences is a time of risk taking and experimentation. Vaping is one of the most common forms of risk taking that we see youth engaged in as many view vaping as relatively harmless. Parents and families are encouraged to get informed and talk with your children about vaping, its impact and what your expectations are.

### DISPOSABLES

Disposable e-cigarettes are single-use products that are not refillable, but many are rechargeable. They are the most commonly used device type among current users, and many feature sweet, youth-appealing fruit or candy flavors as well as mint and menthol flavors. **In recent years, disposable e-cigarettes have become bigger, stronger, and cheaper**, raising concerns about youth uptake and nicotine addiction. Popular disposable brands include Breeze Pro, Hyde, Puff Bar, EB Design (formerly Elf Bar) and Kangvape, and offer between 1,500 to 8,000 puffs per device.

### CLOSED POD DEVICES

Closed pod devices use disposable, pre-filled pods containing nicotine e-liquid that are inserted into a rechargeable body. Pods come in a range of flavors and nicotine strengths, allowing users to customize their experience. JUUL and Vuse are the most commonly used closed pod device brands, followed by NJOY, Blu, and Glas.

### REFILLABLE DEVICES

These systems require nicotine e-liquid, also called vape juice (often purchased separately) and come in three varieties: box mods, pens, and refillable pods. These devices have tanks or pods that can be refilled with e-liquid and the pods/tanks are not thrown away after one use. These systems are used more by "hobbyist" users because they require more upkeep and are typically modified to produce a heavier cloud to perform tricks.

### Intramurals

A massive thank you to Mr. Christianson. We have a fantastic intramural program two- three days a week at lunch thanks to his dedication and hard work.

We have begun giant volleyball which involves entire advisory classes competing against each other. Twice a week 8 classes get a chance to compete in a game that requires the ultimate teamwork to get the giant volleyball back over the net. The ball can bounce off any surface except the floor and teams have unlimited touches to get the volleyball over the net

## Community/ Multicultural Lunch

On Friday, Feb 6th we will be hosting our annual Multicultural/ Community lunch for nearly 510 people. We will serve everyone in about 45 minutes thanks to amazing teamwork, many hands and four separate buffet tables. Thank you to the many parent volunteers and 20 student government representatives who have signed up to volunteer to make the lunch a success. Our kids (your children) have organized music from around the world, developed a Trivia Contest on flags and will be actively helping throughout the day.

Thank you to every family who will be sending in food to share and celebrate your heritage. The many families that donated money will allow us to purchase Chinese, Indian and Italian (pizza) food as well as Sushi.

Our lunch is a chance for students to connect with their family (or one part of their heritage). We have included a link to a video produced by President's Choice that focuses on the positives of sharing a meal with others. Social isolation is one of the biggest health concerns of this decade. It has more impact than smoking or being overweight on our long-term health. Eating together is one way to connect. [Click here](#) to access the link.

**Before** Friday Feb 6th, students are asked to bring:

- a usable container and utensils (fork, spoon, knife, or chopsticks)
- a Tupperware/ plastic type container with a lid is recommended.
- a bag for the container
- celebrate their heritage by wearing special clothing, or jersey or hat that show cases their heritage.

If your child has food allergies that need special accommodation, please ask your child to speak to Mrs. Husband, the office or email [shusband@sd43.bc.ca](mailto:shusband@sd43.bc.ca).

## Ravine Danger – Please don't access

The City of Coquitlam has installed a barricade and caution tape to the entrance to the forested area west of the school that leads to the ravine. They have temporarily closed access to the trail and ravine because the conditions on the trail and in the ravine have become dangerous due to the heavy rain that fell several weeks ago. There is erosion to the trail and ravine that have deemed it too unsafe to be accessed and used as a route from Monty to and from homes on the other side of the ravine. Several of our students use the trail through the ravine to get to and from school. For now, during the temporary closure of the trail and ravine access, please ask your children to take an alternate route that does not require them to access the ravine area and trail system. Thank you for your help in sharing this important information with your children.

## School Yearbooks

## A message from the Library Learning Commons:

The new year often means making space and donating items that we no longer need. The Library Learning Commons would gladly take any book donations that are taking up space in your house 😊. We are always in need of graphic novels and the more popular titles (Diary of a Wimpy Kid, Hunger Games, Percy Jackson, Harry Potter, Babysitters Club, etc.) as they go through a lot of wear and tear. If you have any books you'd like to donate, please drop them off at the Office during school hours and I will gladly pick them up. If you're not sure about titles that we need, please feel free to contact me.

## PAC News and Events

For 2025-26, PAC meetings will be on Wednesday nights at 7pm in the Monty Middle Library. Our next meeting is **February 18**.

**The purpose of the PAC** is to promote the education and welfare of students in the school, be the collective voice of parents, encourage parent involvement in the school, and to advise and assist the administration and staff in matters pertaining to the school and students. We encourage all parents and caregivers to be engaged with their child(ren)'s school and joining PAC meetings is one way to get connected. All parents and caregivers are automatically PAC members.

This year, we will continue to raise funds to support our students and school. In addition to helping with planned team trips to Grouse Mountain, the PAC will support the purchase of technology for the STEAM program and sporting equipment for every class to use at break times, contribute to the Grade 8 leaving ceremonies, provide entertainment to students, and give each classroom a small discretionary fund to buy supplies needed for the year.

**We are collecting donations** to the PAC through School Cash Online. When logged in, under the tab for your child at Monty, you will see "PAC Donation 2025-2026 - 2025/2026". All money raised will go towards purchasing supplies for use in our children's classrooms. We appreciate any support you are willing to provide.

**February 6 sees the return of Multicultural Day**, including the very popular Multicultural Lunch. The PAC works with Monty staff to make this day a success, and we are very grateful for almost 60 parents who have volunteered to come to serve lunch to the entire Monty Family! In conjunction with Multicultural Lunch, we will be working on a cookbook fundraiser. More details to come in a few weeks.

### Looking Ahead

February 6 - Multicultural Day

February 20 - Subway Lunch (order by 11:59pm on Feb 10)

Late May - Staff Appreciation Day, date TBD

*Please read this important information regarding all hot lunch/treat day orders:*

1. We look forward to providing lunch and treat opportunities to students.
2. All orders need to be made and paid for online (sorry, no cash orders).
3. No late orders; this allows us to have invoices from vendors and have vendor payments ready on hot lunch/treat day.
4. Sorry no refunds can be given for student absences.
5. You are able to order multiple lunches and treat days at a time, as well as pay for all your children's orders in one transaction. By ordering and paying at the same time, it reduces the fees associated with credit cards for PAC.
6. If your child is away or on a field trip, their order will be saved until the end of the day, so someone may pick it up. We are unable to save food beyond that due to Food Safe Regulations.

## DISTRICT NEWS

### Winter Weather and School Closures

Schools are not usually closed because of snow or other weather conditions. All schools in the Coquitlam School District will remain open, if possible, during winter weather, including snowfall.

Our schools are in very different climate zones from one another and there may be the need for **some** schools to be closed within SD43 while others remain open. If there is a partial closure of schools within the school district, these individual schools will be named. Full or partial school closures do not happen often.

Extreme weather can also change the transit bussing. Bus schedules may have changes or cancellations due to the weather conditions. Parents looking for information on public bus schedules need to consult the Translink website:  
<http://www.translink.ca/>

Coquitlam School District school closures will be decided by 6:30 a.m. or earlier and will be announced on:

1. School District 43 website [www.sd43.bc.ca/school/montgomery/Pages/default.aspx#/=](http://www.sd43.bc.ca/school/montgomery/Pages/default.aspx#/) and school website

## PREGISTERING FOR PROGRAMS OF CHOICE

Applications for programs of choice ended in January.

### CROSS CATCHMENT PROCESS

## School District No. 43 (Coquitlam) Learning for a Lifetime

Parents sometimes wish for their children to attend a school that is not their catchment school. In such cases, a Cross Catchment Application is required after registering at their catchment school. School District 43 uses a random draw process for Cross Catchment Applications (using in-district priority, then out-of-district).

If enrolment projections show that space is available, Cross Catchment transfer Applications will be accepted in accordance with the following priorities:

- (i) sibling of a child who will be in attendance at the Cross Catchment school in the following year;
- (ii) a child residing within the SD43 residential boundaries (could include private or homeschooled) and
- (iii) non-school district resident child.

The **School Locator** tool on the district web site provides a student's designated catchment area schools. **Catchment is based on permanent home address that is currently on record with the school.**

There are two separate applications:

- 1) Kindergarten Cross Catchment- Kindergarten students must first register with their catchment school.
- 2) Grades 1-12 Cross Catchment (including a section to confirm sibling status)

### To apply for Cross Catchment:

Apply [on the main page of the SD43 website](#), starting **Friday, Feb 6, 2026 at 9 a.m. to Wednesday, Feb 11, 2026 at 4 p.m.**

- Applications will be processed based on the availability of space in schools and on a **RANDOM DRAW PROCESS**. (using in-district priority then out-of-district)
- The application requires student or Personal Education Number (PEN) number (can be obtained from your child's school), child's birth date, home address, name of current or assigned school, and the name of the requested school(s). Kindergarten requests do not need to provide the student number/ PEN number.
- Families will be notified by district email of the outcome in the second week of March.
