## **McFaul's Chat and Chew: A Season of Give Back to the Community**

In the upcoming weeks you will be receiving notices for a variety of socially responsible learning opportunities that our students are consistently engaged in for supporting our larger community. Over the years we have been a strong supporter of SHARE, our local community agency for supporting families. You will be receiving information about how you can participate in the Monty 12 Days of Christmas. Although it states the term Christmas, the drive for sharing is truly tied to the larger concept of caring for others at a time of year whereby many cultures and religions have a celebration to offer reflections upon their past and future ways of being a supportive neighbor.

This week we start with notifications going home about our Kids Xmas Market which raises money to support local families, SHARE programs and Project Angel in our community. Team Sicily has volunteered to manage our new idea of the 12 Days of Xmas Drive and you will get information about how best to support this creative drive for needy items. Lots going on and we know that our families will continue to be steadfast and strong supporters of our giveback initiatives.

This week's guest reporters come from Team Hokkaido, thanks to Hannah and Alyssa.

### **Team Hokkaido News**

Hello Montgomery, this is the Hokkaido newsletter for most of term one. At the start of the year, all of us on Team Hokkaido had an awesome bowling field trip. We scored some strikes and some spares, and this energized us during the first couple weeks of October. Boy, our feet sure were tired after walking, or should I say running away from those ghosts, goblins, and killer clowns in Centennial's "HAUNTED BAND ROOM." If you were still seeing those ghosts and goblins in our school hallways, well it wasn't an illusion; it was kids dressed up for Halloween!

After collecting all that candy on Halloween night, all we wanted to do was wear our P.J.'s and read. That's part of what we did as we made tents and laid down for the activities of Camp Read on November 1. Some people wore P.J.s with big cats on them. All those big cats let out roar on November 5<sup>th</sup>, as Band Exploration students in block one sang 'Roar', or if you didn't sing you must have played a rocking instrument on stage. Also on stage was the Monty choir and band, playing at our school Remembrance Day ceremony. That day was very meaningful to us all, lest we forget all those Traveling Soldiers. Many Hokkaido students also learned about Canadian participation in the Korean War, and wrote postcards of thanks and remembrance to Canadian veterans.

Thank you for reading the Hokkaido newsletter.

# 2013 CHRISTMAS MARKET

## FRIDAY, NOVEMBER 29th

This is a reminder that volunteers and donations are needed for the KIDS CHRISTMAS MARKET which is happening at the school on Friday, Nov 29<sup>th</sup>. Last year was such a tremendous success in raising funds and awareness for supporting others in our community, as well as a big surprise for everyone on Christmas morning when you opened the carefully chosen gift your child thought was perfect for you. If you have items to **donate, please send them to the office beginning on Monday Nov 25<sup>th</sup>**. We are off to a great start as many people have said they have been collecting donations and will be bringing them in. Monday thru Thursday is preferred but donations will be accepted until the morning of the market.

Thank you to everyone who has already contacted me to let me know they can help out with the Market. More volunteers are still needed; any time you can spare is appreciated. Volunteer times are as follows:

**9:00 - 3:00 on Thursday Nov 28<sup>th</sup>** for donation collection, sorting and pricing.

**9:00 - 3:30 on Friday Nov 29<sup>th</sup>** to help with the actual sale. Volunteers are needed to help look after a table, wrap gifts, etc. Shifts are available all day until 3:30 PM. Come for a while or set the whole day aside, you choose, but we do need your help to make this event successful.

**PLEASE CONTACT EVELYN at [mikeeve@shaw.ca](mailto:mikeeve@shaw.ca) or 604-931-9158 if you are able to volunteer.**

**Parents and siblings not attending the school are invited to shop after school.** Students may also revisit the market at this time.

If you are asking yourself "**What is the Kids Christmas Market**", then you probably missed the notice that recently went home. Don't worry; a copy is available on the school website homepage under the publication section or you can find a copy at the office.

**Please remember that students should bring small change, loonies and toonies on the day of the market as well as a shopping bag to carry their purchases home safely.**

**Please talk to your children:**

1. About why we are raising money (for example, to support Coquitlam families through the Share/Project Angel program with gifts and food donations, as well as the homeless with toques, gloves and socks and what that will mean to them).
2. That they are shopping for family members and other special people in their lives.
3. Encourage them to do extra chores around the house etc. to **EARN** their spending money.

All classes will be given an opportunity to shop.

Thank you,  
Evelyn Chursinoff Kids Christmas Market Coordinator

**"School District 43 is currently facilitating a community engagement process for the Learning, Land and Neighbourhoods initiative.**

The number of students enrolling in the school district is growing -- in the next decade there will be 5,000 more students. New schools will need to be built and others refurbished or enhanced to meet growing demand. In addition, building on the work done last year, the board is reviewing district properties to ensure we are getting the best value for students today and in the future. The school district has launched a community engagement process to help identify solutions and inform the board's actions and decisions.

Join School District 43 at the upcoming Victoria Park community workshop to share your ideas and concerns for the future of a portion of Victoria Park. Children are welcome to attend.
