McFaul's Chat and Chew: The One Big Fundraiser is HERE!

How does a school function on a limited and ever shrinking budget provided by the Ministry of Education? The answer is a challenging and complex one as the need for enhanced technology is always in demand from our staff, students and parents, along with meeting the needs of our specialty programs like Tech Ed, Home Economics and our quality Athletics and Fine Arts programs. The demand for money is always present and the prudent and fiscally responsible decision making that guides our conversations about budget and programming often involves our dedicated PAC members. It is through our Parent Advisory Council (P.A.C.) that we as a school are able to purchase and extend our financial support to the various programs that we offer in our community.

The PAC has established as their major fundraiser, the Spring Raffle Tickets. This is a community event which involves all partner groups. We need you to support your child and help them to complete sales of their assigned Raffle Tickets. How you do this level of support can be as creative as our minds are capable of being – you may help by selling tickets at your work, you may encourage your child to phone relatives, friends and others to entice them into a fundraiser that directly supports our school needs, you may spend a body of time with them supporting their sales at your local high volume shopping area. These are just a few examples of how you and your child can support this fundraiser.

Staff members support this event by daily dedication of collecting sold tickets and money and promoting the sales effort because the school staff see how the sales of tickets directly benefit our students through the purchase of new sports uniforms, new sound/light equipment for performance activities, art and technology supplies and equipment and support for our healthy lunch program.

PAC members devise a schedule and commit to a plan that involves the application of a gaming license and then the anecdotal referencing of how money was spent as requested by the government. The parents seek out desirable prizes and organize early bird draws and do all of the accounting to ensure that all monies are managed and all expenditures are tracked.

Your effort in helping sell a few booklets is a key step in this whole process and one that must happen if we are to help our school stay abreast of the growing demands and choices of how best we spend our money at Monty!

Students Views and Updates Team Skye:

Hi. I'm Melissa, Grade 7, from the wonderful and magical team of Skye. I'm in Ms. Patching's class (Advisory 4), and I have been presented with the task of telling you, readers of the Montgomery newsletter, what kind of stuff we've been doing in team Skye this February. I am accompanied with my friend Felicia!!!!!!!!!!!!!!

Flashing lights and Disco balls drop from ceiling as Felicia comes in

Uh, hi...

As you may be able to tell, Felicia is slightly shy, even when you can't see her, so, I guess that I'll say stuff and she'll correct me or whatever.

SO - As I was saying above, we are both from Team Skye, And were going to tell you what kind of stuff we've been up to.

Let's start with January. Ah, January. It was the best of times; it was the worst of times...

No silly, we're here to talk about February. You know, the one with Valentine's Day and stuff?

Uh... That's what I said....?

Facepalm

Whatever. Now, I to kick things off, I think that we should start with the project that took up most of the month. That's right, I'm talking about the horrible, awful, terrifying, SPEECHES.

Ah yes, speeches. I still doubt whether we will ever recover from the trauma sustained during the horrifying event known as public speaking.

Oh Felicia, always the drama queen. As you probably already know, in term two each student is required to write and present a three point speech about a topic that the student chooses.

Of course, Melissa, being the fangirl that she is, decided to do her speech on Harry Potter.

Excuse you, but for your information, Harry Potter is an amazing book series and I had a fantabulous speech. And I'm sorry; But Who went to the team finals? Oh, that's right, Me.

You know that I was nominated. I was just sick on the day that we presented and therefore could not compete. But aren't we getting a little off topic here?

Now, we know that speeches is a school wide thing, and is not only in team Skye, but we feel that I took up most of the project work (for us) in second term and so we decided to talk about it. Speaking of school wide events, another thing that happened this February was an event that Monty likes to call the multicultural luncheon. Since I wasn't there, Felicia will tell you about it.

The Multicultural Luncheon was a school wide event where we, students were given the chance to experience the foods of other cultures, and also share a food from our own culture. There were many savory items there, like quiches and other delicious edibles. It also saved us the trouble of having to pack lunch.

Cause that was totally the whole purpose of the luncheon. So you could be lazy and not pack a lunch.

Anyways, though we did a lot of things with the rest of the school, we also had an interesting event that was unique to team Skye. We had something called the Team Skye Highland Games. As the Isle of Skye is part of Ireland, it is only appropriate that each classroom is its own 'clan'. In the highland games, all of

the clans went against each other in many diverse events so they could achieve the highest honour, and win the Mighty Minion. Felicia and I are both part of clan Striker, and our clan competed against the other clans, which were Clans Fergus, Phoenix and 7 Snakes.

The games involved feats of strength, endurance and other such qualities. The events were Caber Toss, in which 2 representatives from each Clan worked together to throw a bundle of pool noodles as far as they could, Medicine ball shot-put, the Dance-off, the Shortbread Bubble blowing contest, the tug-of-war and the hockey stick pulling. In each event, clans earned points and competed for first place. At the end of the day, Clan 7 Snakes were the winners of the Highland Games, receiving the Mighty Minion as a symbol of their success. All in all, The Highland Games was an extremely fun event.

Felicia and I would like to thank you for reading our collaborated summary of February in team Skye. I hope that we have amused you in the best way possible, and thanks!

Bye!

Culture Beat: Events and Activities.

The 12th Annual PAC Raffle – A reminder that sales continue over the next two weeks right up until the last day of the draw, that being Friday March 14th. We ask that all families give a concerted effort to sell their one booklet per family and that if you are a super sales person then please push the cause as the money goes to PAC and their support of our school community. This year's goal is to buy new stage lighting and technology for the gymnasium. Tickets are \$2.00 each, books of ten. Additional tickets will be available at the office. The draw date is March 14th in the afternoon in the gym.

The prizes are:

- | | | |
|------------|---|----------------|
| 1st prize: | iPad mini with retina display. | Value \$448.00 |
| 2nd prize: | Go Pro Hero 3 Silver Edition HD Video Camera. | Value \$392.00 |
| 3rd prize: | \$100.00 | |

Thank-you for your support;

For additional information, please contact.

Elaine Querengesser

equereng@hotmail.com

Public Speaking Finals – We held our school level public speaking finals on Friday; whereby, we had the following students present their creative words: from Gr. 6 we had Jaymian P., Bukola B., and Mourne C., from Gr. 7 we had Lauren R., Ashlynn M., Finn C., and Ryan G., from Gr. 8 we heard from Morgan L., Lauren P., and Rachel T. Their speeches covered a wide range of topics from the use of personal electronic devices, to how we view plants, to child slavery issues and many more personal and well written topics and presentations. Our winners will represent our school on Wed. March 5th at Citadel Middle for the District #43 festival and they are:

- Gr. 6 Mourne C. talking about Cats and Dogs as Pets
 - Gr. 7 Finn C. sharing his views on Letter Grades on Report Cards
 - Gr. 8 Lauren P. presenting the thought of strong female characters in literature
-

We thank all of our students for mustering the strength to write research and most importantly present a speech in front of their peers. This part of our curriculum is helping all to develop their voice and all to show respect and value in others and their different points of view.

Enrollment Documentation Request:

Following a recent enrolment audit, every school in our district has been requested to comply with recent changes in the documentation required to enrol a student in the B.C. Public Education System. A recent file review has determined that a large percentage of our student files do not currently contain the proper documentation. This process is especially important to our Grade 8 students moving on to secondary schools in the district.

Specifically we are required to place a copy of each of the following in each student's file:

1. *Proof of Parents Status in Canada (Citizenship, Permanent Resident, Refugee Status or Visa).*
 - a. *This is required as a student's eligibility for provincial education funding is actually based on the citizenship status of their parents.*
2. *Proof of Child's Citizenship (Citizenship, Permanent Resident, Refugee Status or Visa).*
3. *Proof of Residency in British Columbia.*

If you have completed this process in past years, we thank you. If you are unsure, please call the office and we can let you know if documentation is missing. We will be calling our grade 7 and 8 parents over the next few weeks to let you know if we need further information.

If you have any general questions about this process, please don't hesitate to contact the school office at (604) 939-7367.

Thank you for taking the time to update our records.

Please see below accepted documentation

DOCUMENTATION REQUIRED FOR REGISTRATION OF ALL SCHOOL AGE STUDENTS **FUNDING ELIGIBILITY CHECKLIST (January 15,2014)**

In accordance with the School Act Section 82 and Ministry of Education policy, a student is eligible for a provincially funded education if parent(s) or legal guardian(s) meet residency requirements.
