McFaul's Chat and Chew: Communications and Cancellations – If one could determine the future and look deep into their crystal ball then that talent would be in great demand by all parents in the province as they attempt to navigate the tumultuous course of year end activities. We as a school have tried to hold onto our ceremonies and our traditions as established calendar dates in regards to year end events and we have now past the tipping point of logistics, patience and waiting for some of our planned activities. We have had to make some very impacting decisions as we await the political climate and labour negotiations to unfold in a manner that leaves our Admin Team with no room to navigate or adjust to a quickly changing labour landscape of timelines. We have cancelled our Gr. 5 Half Day Event planned for Thursday June 12th and postponed from Thursday June 5th. We have cancelled our Outdoor Experience Day set for Tuesday June 24th as this event involves great details in transportation, timing, financial payments and a safe and organized plan for student supervision that we are unable to guarantee.

We have on hold and awaiting some other very important events like our Year End School Leaving Ceremony along with our Much Video Dance Party all set on the calendar for Thursday June 19th. Further details that will be revealed this week from planned labour negotiations will help shed light on the livability of these two events. There is hope in the darkness of this labour strife that time and planning may allow for us to proceed in some adapted version of these events. No promises, but an official wait and see as to what unfolds approach during a period of great labour uncertainty.

On the days that we are open for school we continue to work towards our daily goals of education and lesson expansion and topic completion as evidenced by our change in schedule for our upcoming Team Sicily - Team Quadra Renaissance Faire that was moved on the calendar in order for us to celebrate the creative imaginations and detailed work that our students have put forth on this shared unit of student based inquiry. Stop by and be whisked away to the times of Kings and Courts and the period of Enlightenment on Thursday June 12th @ 9:45- 11:30. We will continue to update the Monty Middle website along with the district website as being a trusting source of information in regards to school closures due to rotating strikes and further positive or ominous developments. A reminder that the next rotating strike date for Coquitlam School District is this Friday June 13th. Your patience, understanding and sense of support for the issues that are in debate in these negotiations are critical and provide us all on both sides of the challenge with a backdrop that what is happening must constantly put the idea of making it best for students and their future learning. Your voice has impact and needs to be heard to help clarify where parents in this community stand on these longstanding issues of class size, class composition and wage respect.

Reminders:

If you are moving to a new address or a new school, kindly let our Office staff know so that we can establish our school plans for the 2014-2015 school year.

BCTF Job Action Rotating Strike Day – Friday June 13th for All Coquitlam Schools.

Please see on our website under publications the information notice that was sent home via email. The letter from the District Superintendent states that: **"As a result of the strike action, teachers will not be reporting for duty on June 13th. While school facilities will remain open under school district administration, we will be unable to provide students with instruction. There will be limited ability to provide appropriate supervision during this period of job action. We are therefore requesting that parents keep their children at home from school on Friday June 13th."** We encourage you to stay close to the media outlets in case of any new and recent changes to the negotiations and thus possible changes on the rotating strike agenda.

Year End Band and Choir Concert – The bands and choir will be presenting their talents at their final end of year concert on Thursday June 12th @ 7:00. There will be a rehearsal performance that same date in the afternoon at 1:30. These changes in calendar were due as a result of the Rotating Strike planned for this coming Thursday. Our Music Team members are a small but dedicated group of advanced band, beginner band and choir members who have risen early and given their free time at lunch to practice and hone their musical craft with Mr. De Vita. We encourage all of you to come out and enjoy a night of music and song that is much more celebratory than watching hockey playoffs of teams that you truly do not care about. Hope to see you on Thursday June 12th.

Talent Show Auditions – A sign up list for auditions to perform at our year end Talent show will be available at the Office Counter for students interested in having the chance to showcase their talents. The following weeks we will have auditions at lunchtime in the Band Rm. Please have your child check the schedules posted at the Office and Band Rm. We are looking to ensure that students who will perform feel comfortable in front of an audience, have their required music, instruments and needed equipment. If students feel shy or reluctant to be performing then we will ask them to reconsider their wish to perform and encourage them to continue to practice at home so that they are more confident and ready to perform in the future. The Talent Show goes Monday June 23rd @ 1:15 in our gym.

Year End Leaving Ceremony and School Dance – Our Year End Leaving Ceremony will be held on Thursday June 19th @ 1:15 – 2:45ish. After the social event students will be encouraged to return home and get changed for their evening with our MUCH VIDEO DANCE Party. Our dance will be open to all Monty students and tickets will be \$10.00 for our evening event starting @ 5:30 and ending at 8:00. Tickets for this event went on sale this past Thursday May 29th until Monday June 16th. Student Government members will be encouraging students to purchase tickets as we know many kids will want to join and share a most positive and exciting wrap up to the year. The **Leaving Ceremony** is for our whole school as an end of year assembly which honours our students for their work in social responsibility, citizenship, athletic leadership and our Gr. 8 students who will be continuing their educational journey on into secondary school. We will be looking for parents to help with some of the final preparations for our after ceremony social which takes place in the cafeteria for our leaving Gr.8 students and their families. We are calling for parent support to help volunteer for this event with plans for organizing, donating and hosting the after ceremony social. Please contact Mr. McFaul or Ms. Holden if you are interested in helping with this year end event. rmcfaul@sd43.bc.ca and dholden@sd43.bc.ca

Library Books – Students with overdue library books will be receiving notices reminding them to return their overdue books without having to face a fee penalty for the loss of that library book. Our Library Assistant Mrs. Eaton will be doing home phone calls to help students remember to bring in their books used from this past year.

PAC News and Events: Our Next PAC Mtg. is a call for all interested individuals to join our PAC Executive on Wed. June 18th @ 7:00 Location: TBA.

We are in great need of Parent Volunteers to lend their support to our school and to fill the numerous Executive Roles of our Parent Advisory Council. If you have an interest in being part of our school community on another level, one that involves a higher degree of participation in school affairs and supporting our school in areas of finance and governance, then we need you to attend the last meeting of the year. Your support goes a great distance in determining our school culture and our ability to best support all of our sons and daughters.
