Ski & Snowboard Club

Students who missed the info meeting can pick up a copy of the information sheet and confirmation of interest form from the office or Ms Turje's classroom.

Confirmation of Interest forms are due no later than this **Wednesday November 19th** at the end of the school day (to Ms Turje or to the school office). All students who return forms by the deadline will be considered for inclusion in this year's group of 52. Any students who are not initially selected will be added to a waiting list in case any spaces open while we can still make a substitution with Mt. Seymour.

Lost & Found

The school lost and found is collected and donated to local charities every couple of months and reminders are announced to the students weekly, to check the lost and found located in the multipurpose room. It would be greatly appreciated if parents could also remind their students at home about checking the lost and found. Donation dates have been added to the school calendar on the website.
