### Principal News

#### Cultus Lake Activity Day

Just a reminder - our students head to Cultus Lake Waterpark tomorrow, for a year-end celebration!

**Students need to be at school by 08:30** as the busses will leave by 08:40.

Anticipated Return Time: 2:50 pm

Students will need:

- appropriate swimwear (no cut-offs or suits with metal objects)
- towel
- change of clothes

- bag lunch, snacks and water
- sunscreen and warm or wet weather clothing as necessary

### **Looking Forward to Seeing All Families on the 18<sup>th</sup>:**

As you will see from the invitation above, our Grand Opening is Monday June 18<sup>th</sup>. We will be having our POL (presentation of learning) on this day too, so please plan on joining us beginning at 6:00pm in the new school.

### **The First Steps in the New Building:**

Students and staff will make their walk over to the new building on Monday, June 18<sup>th</sup> for their first introduction and tours of our new school. We will start our day in the old school, so no need to change your arrival plans just yet. Our furniture and equipment is not moving before the 18<sup>th</sup> so we will continue to live in our old school throughout the week of the 18<sup>th</sup>.

Students will be reminded to wear their “The Evolution” T-shirts on the 18<sup>th</sup> to show their school spirit. Those who are wearing their spirit wear will receive a free BBQ lunch.

### **Term 3 Art Installation**

Mr. Walker has completed the biggest digital collaborative art piece of his career with our City of Port Moody Waste Management vehicle art installation. We will be revealing this piece of art at our Grand Opening.

### **Ask Me About . . . ?**

This is a weekly feature to help promote conversations at home between parents/guardians and their child. Our ÉMMSOTA learners are becoming experts about their own learning needs, styles and accomplishments. For each student to make progress with this understanding, we need our students to talk about their learning with others each day. This week, ask your child about: **Tell me about what you are most excited to see on June 18<sup>th</sup>.**

### **Spirit wear day is every FRIDAY at ÉMMSOTA**

Reminder – Fridays are Spirit Wear day! We encourage all students and staff to wear their Moody wear tomorrow – either this year’s ‘evolution’ t-shirt or other Moody wear. Spot prizes occur throughout the day 😊

### **After School Supervision**

Our supervision schedule for staff concludes at 3:05pm each day. This supervision schedule provides students time to safely begin making their way home by foot, bike, car or bus. Students that are staying for an after-school team or club are safely supervised by the staff leader of that planned event.

If students are waiting for a ride after 3:05pm we require students to wait in the foyer of A Building or in front of the school on the steps of A Building. Similarly, if students are staying after 3:05pm to get help from a teacher or friend, or to work on a project, they are to do so in a classroom, library, or the Youth Lounge.

Please discuss your after-school plans and procedures with your child so there are no surprises. Recently we have had calls that students are not getting home at the expected time, or they are planning to stay at school for extended periods of time without being part of a planned after school event. Please help us reduce the amount of unsupervised time for your son/daughter after school to support their socially responsible choices and positive use of time.

### **VP Update:**

#### **Grade 6 for a morning**

On Thursday, June 7th, incoming grade 6 students spent the morning as if they were Grade 6 students for a morning. They toured around our school and learned more about all things ÉMMSOTA! We are proud of the more than 30 student ambassadors who came out to help with this event as we played team games, learned about how to find our school website at [www.moodymiddle.ca](http://www.moodymiddle.ca), tried out locks on lockers, engaged in conversation in a Circle, learned about our school-wide read and so much more! We were even treated to some music by Mrs. Reichert's Moody Choir and Junior Band!

To learn more about all things Moody, each student who was here today received a booklet to help with the transition to grade 6 in September. Ms. Jung has asked students to review it many times over the summer and in the fall to help with being a happier and more successful student!

Thanks also, to Ms. Armstrong, Ms. Baboi, Ms. Taylor-Hill, Mrs. DeGroot, Mr. Abello, Christine and the staff who make such events run so smoothly!

The student leaders who helped out in a variety of roles from set-up to emcees were:

|             |            |             |             |
|-------------|------------|-------------|-------------|
| Maria D.    | Logan H.   | Lucas J.    | Hailey M.   |
| Heaven S.   | Rebecca S. | Noah St. J. | Paige P.    |
| Isabella A. | Ian B.     | Kyle B.     | Michelle C. |
| Amy C.      | Natalia D. | Samantha C. | Eduardo G.  |
| Parham G.   | Carmen G.  | Alicia J.   | Shayan J.   |
| Isabel J.   | Anthony L. | Cady L.     | Jodie M.    |
| Chantal M.  | Martina R. | Matthew T.  | Hannah T.   |
| Ayla D.     | Rachel W.  |             |             |

#### **TRAFFIC PATTERNS ARE CHANGING: Safety Remains #1 Priority**

With the new school soon to be completed, we will be revamping the traffic patterns at the start and end of the school day in support of student safety. Please help us by using your common sense and adhering to the signs, our volunteer adult supervisors, and by slowing down in the school zone. Reminding your child(ren) to cross at the crosswalks and stop signs rather than by dashing across the middle of a potentially busy street are critical in getting students to and from school safely. A little extra planning will go a long way to drop off students earlier so that they have ample time to navigate their way through new territory.

Constable DeGoey and his colleagues will be visible in and around school, too. Supporting us through the transition by helping us review our plans for effective and safe drop offs and pick

up of our students while the new school parking lot continues to be a construction zone, is what will help us navigate through unknown territory as we embrace the changes ahead.

### **NEW TRAFFIC PATTERN CHANGES UNVEILED - see map!**

Please review the map carefully and note that traffic heading southbound between St. George Street and Henry Street on Buller Street will be blocked to traffic when we transition from the current school to the new school. While the date for moving is currently unknown, being prepared for potential changes will help ensure the safety of our students going to and from school.

Once we have officially moved, please follow the new traffic pattern changes and loop around the block, westbound on St. George Street, southbound on Williams Street, eastbound on Henry Street and northbound on Buller Street. Pull ahead to allow traffic behind you to also pull over to the right and safety left our students off so they can walk into the school without having to cross over the potentially busy street. Alternatively, students who are dropped off on St. George Street can carefully cross Buller Street at the stop signs, to enter the existing school or the new school with ease, too.

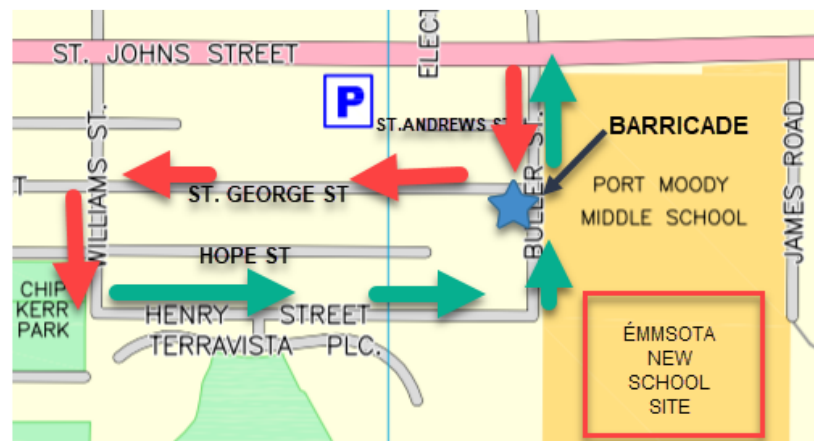

Special thanks to Constable DeGoey, Constable Conlon, and Port Moody traffic engineers, Ava Li and Stephen Judd for supporting our plans through this tricky transition.

For more information, please email Ms. Jung at [kjung@sd43.bc.ca](mailto:kjung@sd43.bc.ca)

Principal*
